Banff Community Plan Steering Committee

The Town of Banff is seeking three public members to join the Banff Community Plan Steering Committee. The committee will guide the process to review and update the Banff Community Plan, which is the long-term vision and road map for the Town of Banff.

Committee members will be appointed for the duration of the project, which is expected to take approximately 12 – 18 months. The committee will meet as needed, but no more than twice per month. Committee selection will strive to reflect the diversity of the community with varying degrees of experience, knowledge, and expertise in any of the subject areas to be addressed in the community plan.

Banff residents interested in serving on the Steering Committee are invited to submit their application to the Town of Banff by Friday, October 28, 2022 at noon. Banff residents of all ages can apply to be on the Steering Committee.

For more information on the Steering Committee, and to apply, visit banff.ca/BCPCommittee.
